

INGONITO MODE FOR GOOGLE CHROME

1. Open Google Chrome

2. Click :

3. Select “New incognito window”

4. A new Chrome window will open.

The window will state: "You've gone incognito."

Additionally, you'll notice that there's a tiny icon at the top-left corner of the window that has a hat and glasses.

Navigate back to www.tal.sg/tadm
