## WSH Council reminds all to Take Time to Take Care of Your Safety and Health this festive period

The year-end festivities are around the corner. As we start returning to our workplaces and completing our tasks to enjoy the holidays, remember to stay vigilant and keep a lookout for the safety and health of your co-workers and yourself as you work. Let us take care of our health to ensure a safer and healthier you at work and go home safely to our loved ones to celebrate the festivities.

The Workplace Safety and Health Council has created a Christmas e-greeting video which you can share and remind your co-workers, friends, and family members to take time to take care of their safety and health as well.

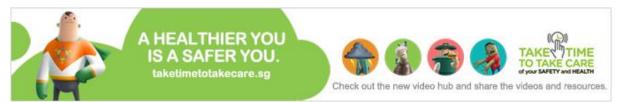

View the e-greeting video here or scan the QR code below to share the e-greeting video using your mobile devices.
