

**Mr Lim Keng Yang**

**Chairman, WSH Council (Chemical Industries) Committee  
General Manager – Manufacturing and Supply, Asia  
Pacific Region  
Chevron Oronite**

Mr Lim Keng Yang started his career as a Process Engineer with Exxon Chemicals and joined Chevron Oronite in Supply Chain in 1998. He held various roles of increasing responsibilities including Asia Pacific Regional Supply Chain Manager, Technical General Manager and Maintenance General Manager before an expatriate assignment to the US as Global Marine Manager in 2014 based out of Richmond, CA USA. He also served as Inclusion and Diversity adviser for Oronite from 2016 to 2018. He returned to Singapore in 2017 and became the Operations General Manager responsible for operations of the Chevron Oronite Singapore Manufacturing Plant.

He was named General Manager of Manufacturing & Supply in November 2019. In addition to being the General Manager of Manufacturing & Supply, Keng Yang is also the Director of Chevron Oronite Pte Ltd. He has responsibilities for Manufacturing and Supply activities in Asia Pacific.

Mr Lim Keng Yang served as a Director of the Singapore Chemical Industry Council (SCIC) from 2020 and took on the Vice Chairman role in 2022.

He holds a bachelor's degree in chemical engineering from the National University of Singapore (NUS) and has attended the Chevron Asian Leadership program at Stanford University Graduate School of Business in 2013.

*Quote: "Nothing is more important than Safety, we need to work together to instill a culture of operational excellence that places the highest priority on the safety and health of our workforce."*
