

**Mr Ricky Loo**

Chief Executive Officer, CWT Integrated Group
Chairman, WSH Council (Transportation and Storage) Committee
Chairman, Trade and Connectivity Committee, Singapore Standards Council
President, Container Depot and Logistics Association.
Board Of Director, Singapore Chemical and Industry Council
Council Member, Singapore Logistics Association.

Mr Ricky Loo was appointed CEO, CWT Integrated Group in August 2021. He leads and oversees chemical logistics, container depot, transportation, distribution, warehousing as well as other value-added logistics services of CWT Integrated Group. Beginning as a management trainee, Ricky has significantly contributed to the organisation and spearheaded multiple government-funded initiatives that digitally transformed Singapore's container logistics industry.

Apart from his duties at CWT, Ricky also chairs the Logistics Technical Committee at Singapore Standards Council, the Trade and Connectivity Standards Committee, and the Workplace Safety and Health Council (Transportation and Storage) Committee. Additionally, he serves as President of the Container Depot and Logistics Association, and a board member of Singapore Chemical Industry Council, among other industry committees.

Quote: "We spend most of our waking hours at work, therefore a strong WSH culture is paramount for the well-being of our co-workers and we must walk the talk."
