

Ms Tan Man Ee

**Chief Operating Officer & Director, NatSteel Holdings Pte Ltd
Board of Directors, South East Asia Iron & Steel Institute
Board of Directors, The Prefabrication Association of
Singapore for Precast & Steel Limited
Chairperson, WSH Council (Manufacturing) Committee**

Presently the Chief Operating Officer and Director of NatSteel Group, Man Ee is responsible for the business performance of both local and overseas businesses. She has over 35 years of experiences in Building and Civil Engineering Construction, Supply Chain Management, Project Management and Manufacturing Operations.

She started her career in the Construction Industry for 3 years before joining the NatSteel Group in early 1980s. Having played numerous pivotal roles since the 1990s in pioneering prefabricated reinforcing solutions in Singapore to help improve on-site productivity, she has since held several leadership positions within NatSteel group, laying her footprints in both local and overseas businesses.

She has also been instrumental in transforming the safety, health, and sustainability journey of NatSteel these past years.

Quote : "Instilling safety behaviour and safety culture in organisations helps everyone understand that Safety doesn't happen by ACCIDENT. All will strive to be safe for themselves and their loved ones!"

I am privileged to be part of the WSH Council and look forward to working with the Council and Industry Stakeholders to elevate our Workplace Safety and Health values."
