About Safety and Health Award Recognition for Projects (SHARP)

This award recognises large-scale projects or worksites that have exemplary safety and health performance, and workplace safety and health management systems. Examples of winning projects are shipyard projects, construction worksites and large projects within a company.

Applicants can only submit a single project for this category. Companies with multiple projects or worksites may apply for the Workplace Safety and Health Performance Awards (WSHPA) instead, i.e., apply for WSHPA for all projects and SHARP for a particular project.

Criteria

The criteria below represent the minimum conditions required to qualify. Fulfilling them does not mean the applicant will be awarded.

The Award Panel will select the best based on the ranked WSH performance and achievements. The decision to award by the Panel would be final.

In addition, the Award Panel reserves the right to confer one award to companies with multiple but identical applications, unless outcomes or achievements cited vary.

Qualifying period: 1 January 2023 to 31 December 2023

Entry Criteria

The table below shows the industry injury rates for 2022. In the event that the 2023 rates are not released before the application deadline, we suggest 10% reduction from the below rates as a good proxy. We recommend checking [WSH National Statistics 2023](#) or the [WSH Awards webpage](#) for the 2023 industry injury rates, scheduled to be released in April/ May 2024.

Industry	2022 Industry Injury Rate (per 100,000 workers)	25% of Industry Injury Rate (per 100,000 workers)
Construction	752	188
Manufacturing	980	245

Auditing Services Requirements

Applicants are required to complete the [ConSASS](#) 2020/ [WSHMS](#) 2020 checklist. For items deemed “not applicable”, it is required to state the reason(s) in the “Auditors’ Remark(s)” column.

Construction companies or worksites need not engage an approved Auditing Organisation (AO) if you wish to use your ConSASS results (from October 2023 onwards), with a total element score of at least 70% for Band III.

Conduct a Self-check

Before engaging auditing services, please ensure that all criteria have been met by doing a self-check using the ConSASS 2020/ WSHMS 2020 checklist.

Avoid Conflict of Interest

Engage auditing services through an SAC accredited WSH AO whose scope includes your industry. The list of SAC accredited AOs is provided in the [MOM website](#).

Please see below for an example:

SAC Certificate No: AO- [REDACTED]	
SCOPES :	<ul style="list-style-type: none">• Construction worksite• Metalworking industry• Shipyard• bizSAFE RM audit

The same AO can only provide auditing services for a company for up to two consecutive years. A different AO must be appointed for the third year. Each auditor is only allowed to conduct audits for up to three Award applications from the company of same UEN. For example, if a company is submitting an application for WSHPA and eight SHARP projects, please engage three auditors from the same/ different AO(s).

Evaluation

All supporting documents, records and data will be verified and assessed. WSH Council will be checking all incident reports reported under your workplace number with the Ministry of Manpower (MOM), any discrepancy may lead to immediate disqualification. A visit to the applicant's workplace may also be requested.

Disqualification before Announcement of Results

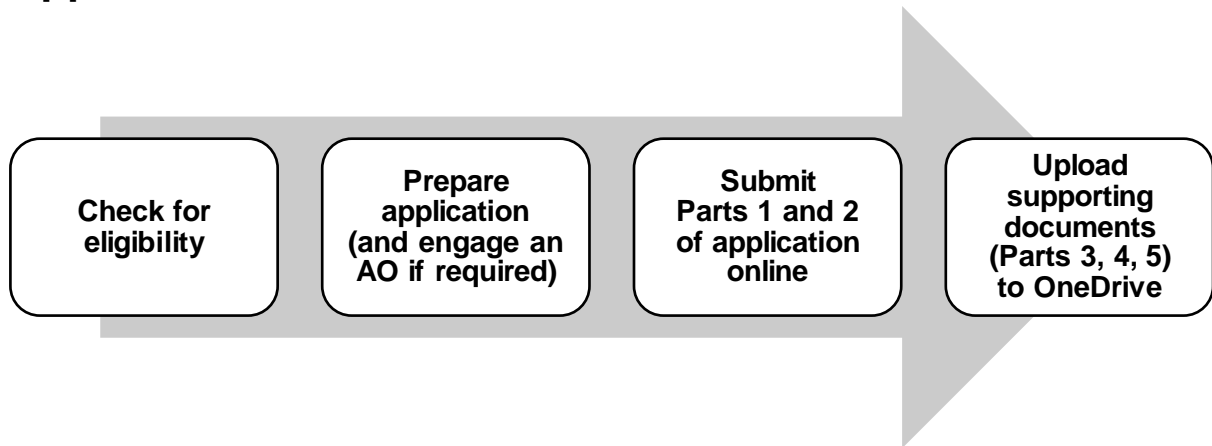

An application may be disqualified under any of the following circumstances:

- a) If a [workplace accident](#) with any of the following consequences occurs **before** the announcement of results in **July 2024**:
 - Fatal accident
 - [Major injury](#) accident
 - Dangerous Occurrence (DO)
 - Infringement of [legislation under MOM's purview](#)
- b) If it contains inaccurate, false or misleading supporting documents, records or data, or if there is adverse reporting in the media pertaining to the applicant's or nominating company's workplace safety and health performance.
- c) If an applicant withdraws or amends its [WSH Incident Report](#) and/ or an ongoing work injury claim during the period of application. An investigation will be conducted before the application can continue to be considered.

Notes for SAC Accredited WSH Auditing Organisations

1. The applicant will pay the AO for services rendered by your auditor.
2. Your auditor is required to check whether the applicants from the construction, marine and chemical/ manufacturing industries should apply for the WSH Performance Awards or Safety and Health Award Recognition for Projects (SHARP) before beginning to render any auditing services.
3. The applicant will provide your auditor with their report and supporting documents to [ConSASS](#) 2020 or [WSHMS](#) 2020, and write-up for Section B of “Part 3: Evidence-Based Assessment”. Your auditor is required to visit and verify the submitted report and supporting documents at the applicant’s workplace in person.
4. Your auditor is required to check whether the applicant had achieved the total element score of at least 70% for Band III in the [ConSASS](#) 2020 or [WSHMS](#) 2020 checklist. You will need to input the evidence gathered and use the “Auditor’s Remarks” column to take down notes or further comments that the applicant might have and allocate a score in the score card and interview sheets. For items deemed “not applicable”, the auditor must verify the reasons in the “Auditor’s Remark(s)” column.
5. Your auditor is required to fully complete “Part 4: Auditor’s Details and Declaration Form”. Please provide auditor’s details, indicate strengths, areas for improvement and any other observations of each application, before signing off the declaration form.
6. As random checks will be conducted with the applicants, any misdemeanour uncovered may lead to immediate disqualification of the applicant, and the auditor and AO would be taken to task with relevant authority/ agency.
