TAKE TIME TO TAKE CARE OF YOUR SAFETY AND HEALTH

Organised by the Workplace Safety and Health Council, the **“Safety Starts with Me” Competition 2021** aims to promote awareness of safety and health among workers and students with the theme “Take time to take care of your safety and health” through creative expression in various art forms.

Whether you are a student, manager or worker, you can be a part of this WSH journey to help keep workplaces safe and healthy with your winning entry. Express your ideas in 4 different categories and stand to win attractive prizes!

- Creative Story Writing
- Creative Photography
- Creative Poster Drawing
- Animation and Short Film

A shout out to students! Your entry can be about school safety and let us know how you can make your sports and other leisure activities in schools safer. You could also tell us how you can take better care of your health.

Submit your entries online

We have gone fully digital for submission of entries and application forms! We will only request for hardcopies of the poster entries if your work is shortlisted.

Hurry! Competition ends 5 April 2021

For more details, you can visit our website at www.wshc.sg/safetystartswithme
