About WSH Developer Awards

This award recognises developers who play an active role in ensuring exemplary workplace safety and health practices among their contractors.

Criteria

The criteria below represent the minimum conditions required to qualify. Fulfilling them does not mean the applicant will be awarded. The Award Panel will select the winners by assessing which applicants best fulfil the criteria.

Only developers nominated¹ by recipients of the WSH Performance Awards (WSHPA) or Safety and Health Award Recognition for Projects (SHARP) can apply.

Qualifying period: 1 January 2022 to 31 December 2022

Notable WSH Performance

1. No [workplace accident](#) across all worksites that led to fatality and major injury²
2. No breach³ in workplace safety and health, and labour matters of main contractors in all projects or worksites

Strengthen WSH Ownership

3. Encouraged all contractors and sub-contractors working on all their sites to be minimally bizSAFE Level 3 certified
4. Participated/ contributed⁴ to WSH Council programmes/ events/ campaigns (till application submission deadline)
5. Considered contractors' WSH performance⁵ in awarding contracts and giving incentives

¹ To win the award, the applicants that have nominated the Developer must win:

- Three WSHPA or SHARP for 2023; or
- Two WSHPA or SHARP for 2022 and 2023.

² Major injury is defined as severe injury with more than 20 days of medical leave (cumulative).

³ Includes Stop Work Order, Business Under Surveillance Programme, more than two compound fines (or fines exceeding \$2,000) including health-related offences from MOM Occupational Safety and Health Division, demerit points, and WSH-related investigations, conviction or prosecution (including pending cases) with regard to workplace and labour matters under the Workplace Safety and Health Act and Employment Act. Excludes COVID-19 related matters.

⁴ Examples of contributions include volunteering representatives to WSH Council's Committees, Taskforces and Working Groups; hosting site visits for WSH learning journeys and collaborating on events.

⁵ WSH Performance includes fatal and non-fatal injury rates, WSH performance, policies, and targets

Enhance Focus on Workplace Health

Design for Safety

7. Implemented Design for Safety (DfS) to identify and reduce safety and health risks through design at the conceptual and construction phases of a project

Contractors Safety Management System

8. Implemented a Contractor Safety Management (CSM) system

Evaluation

All applications will be thoroughly assessed by the organiser. This includes verification and auditing of all submitted supporting documents, records and data. A visit to the applicant's workplace may also be requested.

Disqualification before announcement of results

An application may be disqualified if a [workplace accident](#) with any of the following consequences occurs before the announcement of results:

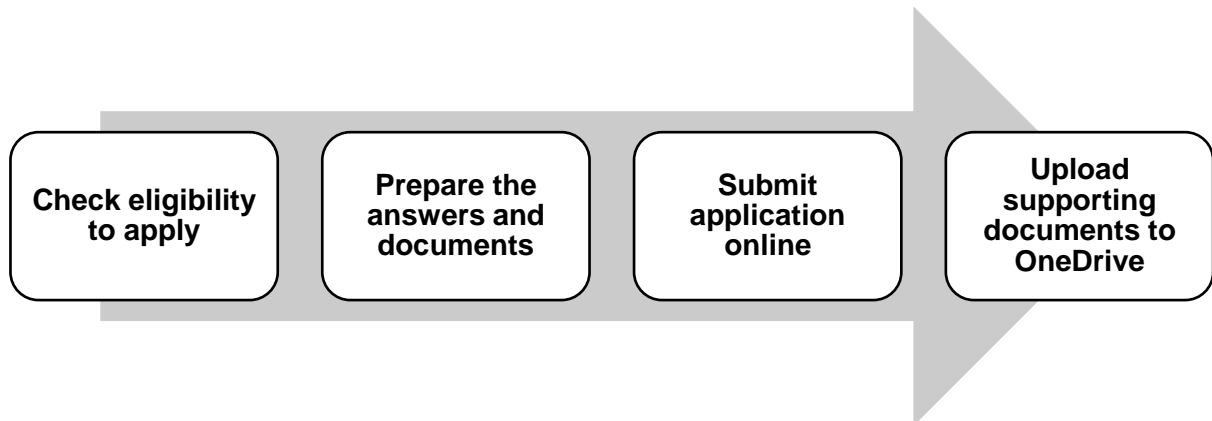

- Fatal accident
- Major injury accident
- Dangerous Occurrence (DO)

An application may also be disqualified if it contains inaccurate, false or misleading supporting documents, records or data, or if there is adverse reporting in the media pertaining to the applicant's or nominating company's workplace safety and health performance.

An applicant who withdraws or amends its [WSH Incident Report](#) and/ or an ongoing work injury claim during the period of application may be disqualified. An investigation will be conducted before the application can continue to be considered.
