

## SENIOR MANAGEMENT

- Set workplace safety and health policy
- Conduct safety walkabouts regularly
- Allocate resources for workplace safety and health initiatives

## SUPERVISORS

- Compliment workers on good workplace safety and health practices
- Be open towards workplace safety and health feedback from workers
- Share workplace safety and health information regularly with workers

## WORKERS

- Remind my peers to work safely
- Give feedback to my boss when I spot hazards or unsafe acts
- Learn and share workplace safety and health information with my peers

**WHAT'S  
MY ROLE?**

# WSH ADVOCATE

The Workplace Safety and Health Act now covers all workplaces. Under this Act, employers must manage risks at work while employees must adhere to safe work procedures. For more information, visit [www.wshc.sg](http://www.wshc.sg)
