## Why We Do What We Do

TNT Surveillance Vision is to provide the World a safer transport experience

Our Mission is to create safer journeys through quality solutions and services.  
Every life matters.

TNT Surveillance is fast growing with more than 10,000+ Commercial Vehicles

Some Notable Clients

# Proven Track Record

Your solution has led to a reduction of fatigue alerts by 90% within 9 months of implementation. Thanks to your solutions, we were able to partner with PSA, JTC and LTA to introduce our B double solution in Jurong Island.

Benson Kong, Allied Container Group

**SBS Transit Limited looks forward to work closely with TNT Surveillance Pte Ltd in all of our Mobile Surveillance and Safety Driving projects.**

**Tan Tee Hoo, SBS Transit**

Tower Transit wish that we will set new standard I future projects which could create a safe commuting experience to our commuter through TNTS solutions.

Violin Naw, Tower Transit Singapore

**We recognize the contribution of TNT Surveillance Pte Ltd to create safe journey to our customers through their quality solutions.**

**So Boon Hwa, SMRT Buses Limited**

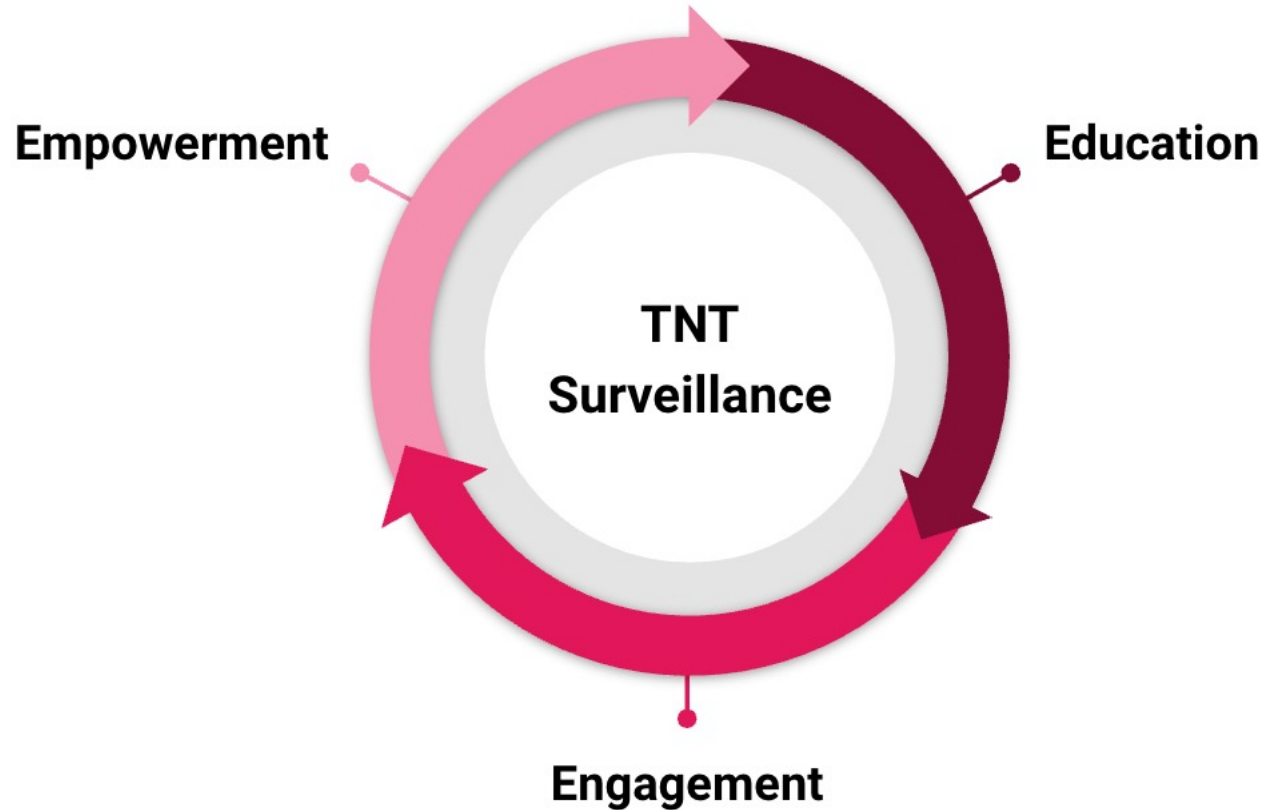

We would like to commend TNT Surveillance Pte Ltd for ensuring successful and smooth completion of our project amid the difficult challenges posed by the Covid19 situation. TNTS has shown to be a good partner to GAS in ensuring full compliance to LTA requirements.

Andrew Ng, Go-Ahead Singapore

**A-STAR engages TNT Surveillance in product enhancements for Advance Driver Assistance Solutions (ADAS) and we look forward to working closely with TNTS in future projects.**

**Dr. Liu Wei, Senior Scientist, A-STAR**

## More inspections to enhance workplace vehicular safety: MOM | Video

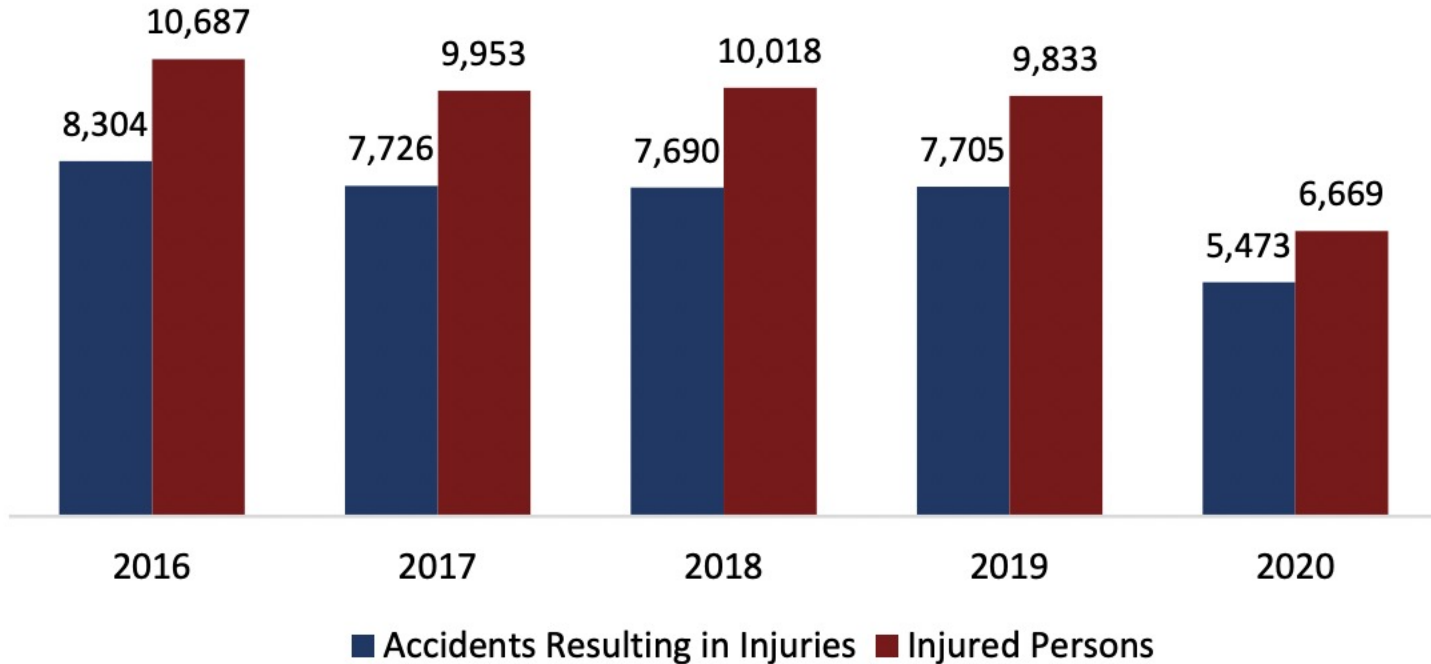

18 Nov 2019 11:37pm

The Manpower Ministry is ramping up its efforts to enhance vehicular safety at workplaces, even as fatalities have fallen significantly over the last few years. It aims to inspect at least 400 companies by the

**Chart 3: Number of Accidents Resulting in Injuries and Injured Persons**  
**(2016 to 2020)**

“However, when compared to the pre-COVID period in the first half of 2019, the total number of traffic accidents resulting in fatalities or injuries has decreased by 21.8 per cent,” it added.

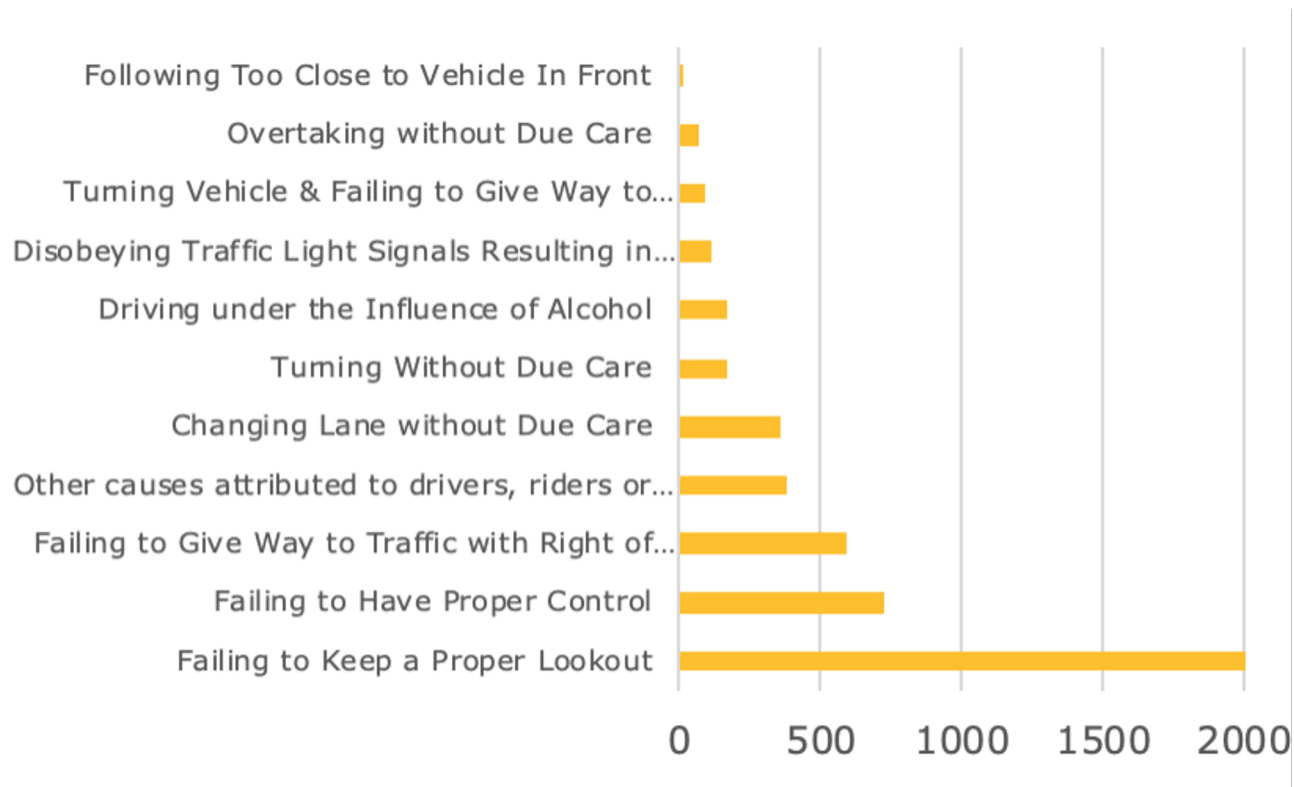

SPF said there were 2,998 such accidents in the first half of 2021, a 16.2 per cent increase from the 2,579 reported in the same period last year. The total number of fatalities and injuries also increased by 17 per cent from 3,108 to 3,635.

The number of fatal accidents went up from 49 to 52, with 58 fatalities as compared to last year’s 51.

#### **FEWER ACCIDENTS INVOLVING RED-LIGHT RUNNING, ELDERLY PEDESTRIANS**

There were more drink-driving and speeding-related accidents, while the number of red-light running accidents and accidents involving elderly pedestrians decreased, SPF added.

# The real contributor

**92% of major accidents are caused by fatigue & distractions, as well as reckless driving.**

(speeding, hard cornering, sudden braking etc)

All of these causes can be addressed with one intelligent Driver Management System:

**T-Guard®**

**Leap Ahead with Safer Journey using  
the holistic Driver Management System  
by TNT Surveillance**

# 3 key components,

## 1 holistic system for next-level driver management

### T-DA

**Detects and alert drivers** of various conditions such as fatigue and distractions in real time.

### T-FA

**AI technology provides real-time alerts** about hazards to help drivers take preventive actions

### Command Centre

Allows fleet operators to **review videos of driving behaviour and contact drivers immediately.**

# Why Companies Are Choosing Us?

**Protecting Drivers 24/7 365 Days a Year.**

**Minimizing Operational Downtime and Accidental Repair**

**Cost Savings in Operational Cost**

**Increase in Operational Efficiency**

**Protecting and Enhancing Company Reputation**
