

WSHCOUNCIL

Tripartite Alliance for
Workplace Safety and Health

BIZSAFE AWARD CEREMONY SHARING

WSH Best Practices & Top Management Driven Initiatives

In Conversation:

"Regulations are **robust** but not **foolproof**:
What is **good enough**?"

"IT DEPENDS"

Introduction

Safety Motto

Valuing Everyone's Safety As One Family

Given that SLE Operates In The
Higher-Risk Sectors of Plant
Construction & Precision Engineering,
It is key that

**WSH is Woven Into All of Her
Business Decisions.**

Our Philosophy

SLE Enhances Her Workforce Safety Culture Through Deliberate People Engagement, Process Improvement And Technological Adaptation.

Leveraging Technology

Cloud Adaptation, Collaboration with A*STAR on technology initiatives, and Deriving Safety Insights Through Data Analytics

Enhancing Worker Safety Touchpoints

Regular Check-Ins on Mental Wellness and Site Safety Principles

Continuous Training

Safety Induction Training, Regular Safety Workshops

WSH Code Of Practices

Strengthen WSH Ownership

Underpinned by Top Executive WSH's Approved Code of Practice

Enhanced Focus of Workplace Health

Demonstrate Safety Leadership By Communicating Importance of Accountability

Promote Technology Enabled WSH

Leveraging Technology to Drive WSH
(Tracking Safety Touch Points & Precision Tracking of Inventory/Assets)

Thank You
