About WSH Tech Award

This Award recognises bizSAFE Enterprises that have adopted effective technology to enhance their workplace safety and health (WSH).

WSH technology is a key enabler to achieving the strategic outcomes in WSH 2028.

The deployment of suitable WSH technology can:

- Remove workers from risky activities;
- Improve workers' situational awareness;
- Deter risky behaviours and reduce human error;
- Assess and alert on ill health that may increase risk of work accidents.

Criteria

The criteria below represent the minimum conditions required to qualify. Fulfilling them does not mean the applicant will be awarded.

The Award Panel will select the recipients by assessing which applicants best fulfil the criteria. The decision to award by the Panel would be final.

In addition, applicants may submit one application featuring multiple technologies implemented to address a workplace safety and health issue.

Qualifying period: 1 January 2023 to 31 December 2023

Entry Criteria

1. Company with:
 - No major and fatal injuries.
 - No Dangerous Occurrence (DO).
 - No breach in WSH and labour matters.
 - No blacklist record, pending investigation, conviction or prosecution in court by the Ministry of Manpower.
2. Company must have implemented effective WSH technology:
 - To mitigate WSH risk(s).
 - For at least 12 months and throughout the qualifying period.
 - Which is effective in risk control measures that do not create or lead to new risk(s).
 - Which is provided by tech-solution provider(s).
3. Company must:
 - Have attained bizSAFE Level 3 and above (not a WSH Service Provider).
 - Not be a past winner of WSH Tech Award using the same technology.
 - Not be an applicant/winner for WSH Innovation Award using the same technology.
 - Have subscribed to the Ministry of Manpower's [WSH alert service for WSH Incident Reporting](#).

Evaluation

All supporting documents, records and data will be verified and assessed. WSH Council will be checking all incident reports reported under your UEN with the Ministry of Manpower (MOM), any discrepancy may lead to immediate disqualification. A visit to the applicant's workplace may also be requested.

If shortlisted, applicants will be informed via email and may be required to showcase your implementation of the WSH Technology to a panel of judges for further evaluation. This Judging Session will take place between May and June 2024.

Notes for Applicants

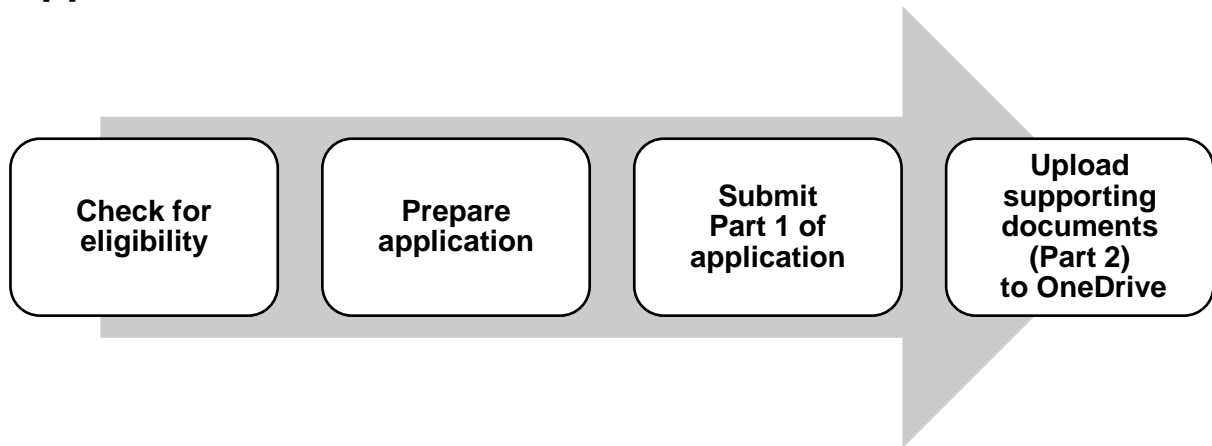

1. The WSH Council welcomes all forms of technology, whether developed in-house or procured externally as a commercial product. Aside from the innovativeness in the deployment of the technology, we will also evaluate the scale of adoption and the WSH improvements after implementation.
2. You may use the listed technologies below (non-exhaustive) for reference when applying for the Award:
 - Electronic Permit-to-Work (e-PTW);
 - Vehicular or rider safety tech including Advanced Driver Assistance System (ADAS), Driver Status Monitoring System (DSMS), blind spot detection, 360 cams and/or proximity sensors;
 - Closed Circuit Television (CCTV) surveillance with video analytics for unsafe worker behaviour or unsafe conditions;
 - Worker location tracing and geofencing;
 - Wearables for workers' health and safety such as health and fatigue monitoring, STF prevention, noise monitoring, Work Related Musculoskeletal Disorder (WRMSD) monitoring and exoskeletons;
 - Drones for building façade inspection, site inspection or survey; and
 - Robots to reduce or replace manual tasks such as cleaning, patrolling, and carrying heavy load.

Disqualification before Announcement of Results

An application may be disqualified under any of the following circumstances:

1. If a [workplace accident](#) with any of the following consequences occurs **before** the announcement of results in **July 2024**:
 - Fatal accident
 - [Major injury](#) accident
 - Dangerous Occurrence (DO)
 - Infringement of [legislation under MOM's purview](#)
2. If it contains inaccurate, false or misleading supporting documents, records or data, or if there is adverse reporting in the media pertaining to the applicant's or nominating company's workplace safety and health performance.
3. If an applicant withdraws or amends its [WSH Incident Report](#) and/ or an ongoing work injury claim during the period of application. An investigation will be conducted before the application can continue to be considered.
