## **Accident Advisory: Worker caught in-between lift car and hoist way structure**

Ref: [2021096](#) WSH Alert Accident Notification dated 3 March 2021

On 27 February 2021, a worker and his co-worker were tasked to carry out lift maintenance works. The worker was situated at the top of the lift car when it ascended and trapped him against a structure within the lift hoist way. The worker was subsequently extricated and pronounced dead at the scene by attending paramedics.
