## OTHER EVENTS

**Join the Jurong Island Vision Zero Forum**

Companies from the process industry face process hazards that could result in catastrophic outcomes if their industrial processes or materials are not properly managed. Learn more about the different aspects of process safety and hear from Veolia and Shell on their good practices.

[Register now](#) →**Join the SCIC Safety Case Practitioner Workshop**

To assist participants preparing for their Safety Case development, the Workshop includes case studies, assignments and group discussions to enhance their understanding of the technical requirements, facilitate learning and provide practical application of the lessons learnt.
