WSH BULLETIN

LATEST HAPPENINGS

Tap into IPAF's Additional Resources on Singapore's Mandatory Safety Time-Out

The International Powered Access Federation (IPAF) has come up with a Safety Time-Out Checklist to help companies using Mobile Elevating Work Platforms (MEWPs) to fulfil their "Heightened Safety" requirements. This checklist comes with more information on the safe use of MEWPs, which will aid users in conducting their safety review.

Take Part in WSH Personnel Survey

The Singapore Institution of Safety Officers invites you to share the challenges you face and skillsets you need in this survey of WSH personnel (e.g. who are working part-time or full-time in supervising, coordinating, managing, auditing and supporting WSH programmes). This survey closes on 15 October 2022.
