WSH BULLETIN

SPOTLIGHT

Join the bizSAFE Convention 2022

In this year's Convention, companies will learn about the importance of growing as a bizSAFE community — how they can help their business partners raise their WSH standards, and in turn, benefit their companies. The bizSAFE Awards will also be presented to exemplary companies and deserving individuals at the event.

LATEST HAPPENINGS

Safer Workplaces Through Presence Detection

The use of machines, robots and/ or vehicles at workplaces present WSH risks that must be managed to prevent accidents. Find out how non-contact sensor technology can be deployed to prevent machinery- and vehicular- related accidents via real-time detection of human or obstacle presence.
