WSH BULLETIN

SPOTLIGHT

EXTENSION OF
HEIGHTENED SAFETY
PERIOD

1 MAR '23 - 31 MAY '23

The Ministry of Manpower will be extending the Heightened Safety Period from 1 Mar '23 - 31 May '23, with additional measures to complement existing ones.

Heightened alert and vigilance need to be maintained to sustain workplace safety and health (WSH) standards.

Extension of Heightened Safety
Period by Three Months

MOM has extended the Heightened Safety Period by three months from 1 March to 31 May 2023, following an increase in the major injury rate. Amongst measures which the WSH Council is leading are an enhanced bizSAFE training for senior management, and the introduction of bite-sized WSH guidance materials.

Jurong Island Vision Zero Forum:
Vessels Under Pressure Can Be
Dangerous

The Jurong Island Vision Zero (JIVZ) Cluster held its eighth run of JIVZ Forums on 6 February 2023, on best WSH practices when working with pressure vessels. Participants learnt more about regulations pertaining to pressure vessels, management of thermal fatigue in pressure vessels and dynamic risk assessment, amongst other issues.
