# WSH BULLETIN

## SPOTLIGHT

### Singapore's WSH Performance In 2024 Remains Among Top Performing Countries Globally

Singapore maintained our standing among the top performing countries globally, with a five-year average workplace fatality rate of 1.1 per 100,000 workers. Notably, our workplace major injury rate has improved, from 16.1 per 100,000 workers in 2023 to 15.9 in 2024. However, with the increase in the workplace fatality rate from 0.99 per 100,000 workers in 2023 to 1.2 in 2024, all stakeholders are urged to remain vigilant and prioritise WSH.
